CSB Plans to Relocate their Downtown Wooster Banking Center

MILLERSBURG, OH — The Commercial & Savings Bank (CSB) announces plans to relocate CSB's Downtown Wooster Banking Center from 305 West Liberty Street to a new location five blocks east at 405 East Liberty Street. The change will occur in early May, 2016.

Eddie Steiner, President and CEO of the Bank stated, "CSB is steadfastly committed to the downtown Wooster area. We highly value our many downtown customer relationships and we have been blessed to be deeply involved in a number of projects in the downtown district."

"We are excited about the unique opportunities this new location offers as we continue to plan and enhance our long-term strategy for CSB's downtown Wooster presence. The new location is highly visible and in the heart of an area designated for further development. We look forward to playing an active role in support of the development efforts," added Steiner.

The Bank will provide high-functioning ATM capabilities, which will service drive-up customers at the new location. "We are testing new ways to add value in the way our customers interact with us, and we will continue building relationships through in-person interactions" stated Steiner.

CSB currently has two banking centers in Wooster. In addition to the downtown location, an office is located at the north end in the Milltown area at 3562 Commerce Parkway, about ten minutes driving distance from the new site.

"We are communicating with our customers about these changes both by mail and in person in our banking centers," Steiner added. "While the location is changing, it is important for our customers to know that the same local experts they rely on now will continue providing their customized service. And customers will benefit from added convenience of parking right outside the front doors, earlier lobby hours, and the enhanced ATM capabilities."

New lobby hours at the new Wooster Downtown Banking Center location will be 8:30am – 5:00pm Monday-Thursday, 8:30am – 6:00pm Friday, and 8:30am – 12:00 noon Saturday.
