Checklist for Using SBA Form 3508EZ

You (the Borrower) can apply for forgiveness of your First or Second Draw Paycheck Protection Program (PPP) Loan using this SBA Form 3508EZ if your PPP loan amount is more than \$150,000 and you can check at least one of the two boxes below. If your loan amount is \$150,000 or less, please use SBA Form 3508S. Each PPP loan must use a separate loan forgiveness application form. You cannot use one form to apply for forgiveness of both a First Draw PPP Loan and a Second Draw PPP loan. For a Second Draw PPP Loan in excess of \$150,000, you must submit a loan forgiveness application for your First Draw PPP Loan before or simultaneously with the loan forgiveness application for your Second Draw PPP Loan, even if the calculated amount of forgiveness on your First Draw PPP Loan is zero.

- The Borrower did not reduce annual salary or hourly wages of any employee by more than 25 percent during the Covered Period compared to the most recent full quarter before the Covered Period. (For purposes of this statement, “employees” means only those employees that did not receive, during any single period during 2019, wages or salary at an annualized rate of pay in an amount more than \$100,000.);

AND

The Borrower did not reduce the number of employees or the average paid hours of employees between January 1, 2020 and the end of the Covered Period.

- Ignore reductions that arose from an inability to rehire individuals who were employees on February 15, 2020 if the Borrower was unable to hire similarly qualified employees for unfilled positions on or before December 31, 2020 (or, for a PPP loan made after December 27, 2020, the last day of the Covered Period).
- Also ignore reductions in an employee’s hours that the Borrower offered to restore and the employee refused. See [85 FR 33004](#), 33007 (June 1, 2020) for more details.

3508 EZ Forgiveness Amount Calculation (see Summary of Costs Eligible for Forgiveness below):

Line 1: Enter total eligible payroll costs incurred or paid during the Covered Period. To calculate these costs, add the following:

Cash Compensation: The sum of gross salary, gross wages, gross tips, gross commissions, paid leave (vacation, family, medical or sick leave, not including leave covered by the Families First Coronavirus Response Act), and allowances for dismissal or separation paid or incurred during the Covered Period. Do not include qualified wages taken into account in determining the Employer Retention Credit. For each individual employee, the total amount of cash compensation eligible for forgiveness may not exceed an annual salary of \$100,000, as prorated for the Covered Period. For example, for an 8-week Covered Period, the maximum is \$15,385, for a 24-week Covered Period, the maximum is \$46,154. You can only include compensation of employees who were employed by the Borrower at any point during the Covered Period and whose principal place of residence is in the United States.

Owner Compensation: Any amounts paid to owners (owner-employees (with an ownership stake of 5% or more), a self-employed individual, or general partners). For each individual owner in total across all businesses, this amount is capped at (a) \$20,833 (the 2.5-month equivalent of \$100,000 per year), or (b) the 2.5-month equivalent of the individual's applicable compensation in the year that was used to calculate the loan amount (2019 or 2020), whichever is lower.

Line 2: Enter the amount of business mortgage interest payments paid or incurred during the Covered Period for any business mortgage obligation on real or personal property in force before February 15, 2020. Do not include prepayments.

Line 3: Enter the amount of business rent or lease payments paid or incurred for real or personal property during the Covered Period, pursuant to lease agreements in force before February 15, 2020.

Line 4: Enter the amount of business utility payments paid or incurred during the Covered Period for business utilities for which service began before February 15, 2020.

Line 5: Enter the amount of covered operations expenditures paid or incurred during the Covered Period.

NOTE: For lines 2-8, you are not required to report payments that you do not want to include in the forgiveness amount.

Line 9: Add lines 1 through 8 enter the total.

Line 10: Enter the PPP Loan Amount.

Line 11: Divide the amount on line 1 by 0.60, and enter the amount. This determines whether at least 60% of the potential forgiveness amount was used for payroll costs.

Line 12: Enter the smallest of lines 9, 10, or 11.

Summary of Costs Eligible for Forgiveness:

Borrowers are eligible for loan forgiveness for the following costs:

1. **Eligible payroll costs.** Borrowers are generally eligible for forgiveness for the payroll costs paid and payroll costs incurred during the Covered Period (“payroll costs”). Payroll costs are considered paid on the day that paychecks are distributed or the Borrower originates an ACH credit transaction. Payroll costs are considered incurred on the day that the employee’s pay is earned. Payroll costs incurred but not paid during the Borrower’s last pay period of the Covered Period are eligible for forgiveness if paid on or before the next regular payroll date. Otherwise, payroll costs must be paid during the Covered Period. For each individual employee, the total amount of cash compensation eligible for forgiveness may not exceed an annual salary of \$100,000, as prorated for the Covered Period. Count payroll costs that were both paid and incurred only once. Include only payroll costs for employees whose principal place of residence is in the United States. For information on what qualifies as payroll costs, see SBA’s interim final rule posted on January 6, 2021 (86 FR 3692).
2. **Eligible nonpayroll costs.** Nonpayroll costs eligible for forgiveness consist of:
 - (a) covered mortgage obligations: payments of mortgage interest (not including any prepayment or payment of principal) on any business mortgage obligation on real or personal property incurred before February 15, 2020 (“business mortgage interest payments”);
 - (b) covered rent obligations: business rent or lease payments pursuant to lease agreements for real or personal property in force before February 15, 2020 (“business rent or lease payments”);
 - (c) covered utility payments: business payments for a service for the distribution of electricity, gas, water, telephone, transportation, or internet access for which service began before February 15, 2020 (“business utility payments”);
 - (d) covered operations expenditures: payments for any business software or cloud computing service that facilitates business operations, product or service delivery, the processing, payment, or tracking of payroll expenses, human resources, sales and billing functions, or accounting of tracking of supplies, inventory, records, and expenses;
 - (e) covered property damage costs: costs related to property damage and vandalism or looting due to public disturbances that occurred during 2020 that were not covered by insurance or other compensation;
 - (f) covered supplier costs: expenditures made to a supplier of goods for the supply of goods that are essential to the operations of the Borrower at the time at which the expenditure is made, and made pursuant to a contract, order, or purchase order in effect prior to the beginning of the Covered Period (for perishable goods, the contract, order, or purchase order may have been in effect before or at any time during the Covered Period); and
 - (g) covered worker protection expenditures: operating or capital expenditures that facilitate the adaptation of the business

activities of an entity to comply with the requirements established or guidance issued by the Department of Health and Human Services, the Centers for Disease Control, or the Occupational Safety and Health Administration, or any equivalent requirements established or guidance issued by a State or local government, during the period starting March 1, 2020 and ending on the date on which the national emergency declared by the President with respect to the Coronavirus Disease 2019 (COVID-19) expires related to maintenance standards for sanitation, social distancing, or any other worker or customer safety requirement related to COVID-19, but does not include residential real property or intangible property.

Eligible nonpayroll costs cannot exceed 40% of the total forgiveness amount. An eligible nonpayroll cost either must be paid during the Covered Period or incurred during the Covered Period and paid on or before the next regular billing date, even if the billing date is after the Covered Period. Count nonpayroll costs that were both paid and incurred only once.

By Signing Below, You Make the Following Representations and Certifications on Behalf of the Borrower:

The Authorized Representative of the Borrower certifies to all of the below by initialing next to each one.

The dollar amount for which forgiveness is requested (which does not exceed the principal amount of the PPP loan):
• was used to pay business costs that are eligible for forgiveness (payroll costs to retain employees; business mortgage interest payments; business rent or lease payments; business utility payments; covered operations expenditures; covered property damage costs; covered supplier costs; or covered worker protection expenditures);
• includes payroll costs equal to at least 60% of the forgiveness amount; and
• for any owner-employee (with an ownership stake of 5% or more) or self-employed individual/general partner, does not exceed 2.5 months' worth of compensation received during the year used to calculate the PPP loan amount, capped at \$20,833 per individual in total across all businesses.

I understand that if the funds were knowingly used for unauthorized purposes, the federal government may pursue recovery of loan amounts and/or civil or criminal fraud charges.

The Borrower did not reduce salaries or hourly wages of any employee by more than 25 percent for any employee during the Covered Period compared to the most recent quarter before the Covered Period. For purposes of this certification, the term "employee" includes only those employees that did not receive, during any single period during 2019, wages or salary at an annualized rate of pay in an amount more than \$100,000.

The Borrower has accurately verified the payments for the eligible payroll and nonpayroll costs for which the Borrower is requesting forgiveness.

I have submitted to the Lender the required documentation verifying payroll costs, the existence of obligations and service (as applicable) prior to February 15, 2020, and eligible business mortgage interest payments, business rent or lease payments, business utility payments, covered operations expenditures, covered property damage costs, covered supplier costs, and covered worker protection expenditures.

If this application is being submitted for a Second Draw PPP Loan, the Borrower used all First Draw PPP Loan amounts on eligible expenses prior to disbursement of the Second Draw PPP Loan.

The information provided in this application and the information provided in all supporting documents and forms is true and correct in all material respects. I understand that knowingly making a false statement to obtain forgiveness of an SBA-guaranteed loan is punishable under the law, including 18 U.S.C. 1001 and 3571 by imprisonment of not more than five years and/or a fine of up to \$250,000; under 15 U.S.C. 645 by imprisonment of not more than two years and/or a fine of not more than \$5,000; and, if submitted to a Federally insured institution, under 18 U.S.C. 1014 by imprisonment of not more than thirty years and/or a fine of not more than \$1,000,000.

The tax documents I have submitted to the Lender (if applicable) are consistent with those the Borrower has submitted or will submit to the IRS and/or state tax or workforce agency. I also understand, acknowledge, and agree that the Lender can share the tax information with SBA's authorized representatives, including authorized representatives of the SBA Office of Inspector General, for the purpose of ensuring compliance with PPP requirements and all SBA reviews.

I understand, acknowledge, and agree that SBA may request additional information for the purposes of evaluating the Borrower's eligibility for the PPP loan and for loan forgiveness, and that the Borrower's failure to provide information requested by SBA may result in a determination that the Borrower was ineligible for the PPP loan or a denial of the Borrower's loan forgiveness application.

In addition, the Authorized Representative of the Borrower must certify by initialing at least ONE of the following two items:

The Borrower did not reduce the number of employees or the average paid hours of employees between January 1, 2020 and the end of the Covered Period (other than any reductions that arose from an inability to rehire individuals who were employees on February 15, 2020, if the Borrower was unable to hire similarly qualified employees for unfilled positions on or before December 31, 2020 (or, for a PPP loan made after December 27, 2020, before the last day of the Covered Period), and reductions in an employee's hours that a borrower offered to restore and were refused).

The Borrower was unable to operate between February 15, 2020, and the end of the Covered Period at the same level of business activity as before February 15, 2020 due to compliance with requirements established or guidance issued between March 1, 2020 and December 31, 2020 (or, for a PPP loan made after December 27, 2020, requirements established or guidance issued before the last day of the Covered Period), by the Secretary of Health and Human Services, the Director of the Centers for Disease Control and Prevention, or the Occupational Safety and Health Administration, related to the maintenance of standards of sanitation, social distancing, or any other work or customer safety requirement related to COVID-19.

The Borrower's eligibility for loan forgiveness will be evaluated in accordance with the PPP regulations and guidance issued by SBA through the date of this application. SBA may direct a lender to disapprove the Borrower's loan forgiveness application if SBA determines that the Borrower was ineligible for the PPP loan.

Table Instructions

Employee's Name: Separately list each employee. Do not include any independent contractors, owner-employees (with an ownership stake of 5% or more), self-employed individuals, or partners. Include only payroll costs for employees whose principal place of residence is in the United States.

Employee Identifier: Enter the last four digits of each employee's Social Security Number.

Cash Compensation: Enter the sum of gross salary, gross wages, gross tips, gross commissions, paid leave (vacation, family, medical or sick leave, not including leave covered by the Families First Coronavirus Response Act), and allowances for dismissal or separation paid or incurred during the Covered Period. Do not include qualified wages taken into account in determining the Employer Retention Credit. For each individual employee, the total amount of cash compensation eligible for forgiveness may not exceed an annual salary of \$100,000, as prorated for the Covered Period. For example, for an 8-week Covered Period, the maximum is \$15,385, for a 24-week Covered Period, the maximum is \$46,154.

Average FTE: This calculates the average full-time equivalency (FTE) during the Covered Period. For each employee, enter the average number of hours paid per week, divide by 40, and round the total to the nearest tenth. The maximum for each employee is capped at 1.0. A simplified method that assigns a 1.0 for employees who work 40 hours or more per week and 0.5 for employees who work fewer hours may be used at the election of the Borrower.

This calculation will be used to determine whether the Borrower's loan forgiveness amount must be reduced due to a statutory requirement concerning reductions in full-time equivalent employees. Borrowers are eligible for loan forgiveness for certain expenditures during the Covered Period. However, the actual loan forgiveness amount that the Borrower will receive may be less, depending on whether the Borrower's average weekly number of FTE employees during the Covered Period was less than during the Borrower's chosen reference period (*see* Instructions to PPP Schedule A, Line 11). The Borrower is exempt from such a reduction if either of the FTE Reduction Safe Harbors applies. See the FTE Reduction Safe Harbor instructions below.

Salary/Hourly Wage Reduction: This calculation will be used to determine whether the Borrower's loan forgiveness amount must be reduced due to a statutory requirement concerning reductions in employee salary and wages. Borrowers are eligible for loan forgiveness for certain expenditures during the Covered Period. However, the actual amount of loan forgiveness the Borrower will receive may be less, depending on whether the salary or hourly wages of certain employees during the Covered Period was less than during the most recent full quarter before the Covered Period. If the Borrower restored salary/hourly wage levels, the Borrower may be eligible for elimination of the Salary/Hourly Wage Reduction amount. Borrowers must complete this worksheet to determine whether to reduce the amount of loan forgiveness for which they are eligible. Complete the Salary/Hour Wage Reduction column only for employees whose salaries or hourly wages were reduced by more than 25% during the Covered Period as compared to the most recent full quarter before the Covered Period. For each employee listed in Table 1, complete the following (using salary for salaried employees and hourly wage for hourly employees):

Step 1. Determine if pay was reduced more than 25%.

- a. Enter average annual salary or hourly wage during Covered Period: _____.
- b. Enter average annual salary or hourly wage during the most recent full quarter before the Covered Period: _____.
- c. Divide the value entered in 1.a. by 1.b.: _____.
If 1.c. is 0.75 or more, enter zero in the column above box 3 for that employee; otherwise proceed to Step 2.

Step 2. Determine if the Salary/Hourly Wage Reduction Safe Harbor is met.

- a. Enter the annual salary or hourly wage as of February 15, 2020: _____.
- b. Enter the average annual salary or hourly wage between February 15, 2020 and April 26, 2020: _____.
If 2.b. is equal to or greater than 2.a., skip to Step 3. Otherwise, proceed to 2.c.
- c. Enter the average annual salary or hourly wage as of (a) for a PPP loan made before December 27, 2020, December 31, 2020 or (b) for a PPP loan made after December 27, 2020, the last day of the Covered Period: _____.
If 2.c. is equal to or greater than 2.a., the Salary/Hourly Wage Reduction Safe Harbor has been met – enter zero in the column above box 3 for that employee. Otherwise proceed to Step 3.

Step 3. Determine the Salary/Hourly Wage Reduction.

- a. Multiply the amount entered in 1.b. by 0.75: _____.

Paycheck Protection Program Loan Forgiveness Application Form

b. Subtract the amount entered in 1.a. from 3.a.:_____.

If the employee is an hourly worker, compute the total dollar amount of the reduction that exceeds 25% as follows:

c. Enter the average number of hours worked per week during the most recent full quarter before the Covered Period:
_____.

d. Multiply the amount entered in 3.b. by the amount entered in 3.c._____. Multiply this amount by the number of weeks in the Covered Period (a whole number between 8 and 24):_____. Enter this value in the column above box 3 for that employee.

If the employee is a salaried worker, compute the total dollar amount of the reduction that exceeds 25% as follows:

e. Multiply the amount entered in 3.b. by the number of weeks in the Covered Period:_____. Divide this amount by 52:_____. Enter this value in the column above box 3 for that employee.

FTE Reduction Exceptions: Indicate the FTE of (1) any positions for which the Borrower made a good-faith, written offer to rehire an individual who was an employee on February 15, 2020 and the Borrower was unable to hire similarly qualified employees for unfilled positions on or before (a) December 31, 2020, for a PPP loan made before December 27, 2020 or (b) the last day of the Covered Period, for a PPP loan made after December 27, 2020; (2) any positions for which the Borrower made a good-faith, written offer to restore any reduction in hours, at the same salary or wages, during the Covered Period and the employee rejected the offer, and (3) any employees who during the Covered Period (a) were fired for cause, (b) voluntarily resigned, or (c) voluntarily requested and received a reduction of their hours. In all of these cases, include these FTEs on this line only if the position was not filled by a new employee. Any FTE reductions in these cases do not reduce the Borrower’s loan forgiveness.

Boxes 1 through 5: Enter the sums of the amounts in each of the columns.

FTE Reduction Safe Harbors

Two separate safe harbors exempt certain borrowers from any loan forgiveness reduction based on a reduction in FTE employee levels:

1. The Borrower is exempt from the reduction in loan forgiveness based on a reduction in FTE employees described above if the Borrower, in good faith, is able to document that it was unable to operate between February 15, 2020, and the end of the Covered Period at the same level of business activity as before February 15, 2020, due to compliance with requirements established or guidance issued between March 1, 2020 and December 31, 2020 (or, for a PPP loan made after December 27, 2020, requirements established or guidance issued between March 1, 2020 and the last day of the Covered Period), by the Secretary of Health and Human Services, the Director of the Centers for Disease Control and Prevention, or the Occupational Safety and Health Administration, related to the maintenance of standards for sanitation, social distancing, or any other worker or customer safety requirement related to COVID-19.
2. The Borrower is exempt from the reduction in loan forgiveness based on a reduction in FTE employees described above if both of the following conditions are met: (a) the Borrower reduced its FTE employee levels in the period beginning February 15, 2020, and ending April 26, 2020; and (b) the Borrower then restored its FTE employee levels to its FTE employee levels in the Borrower’s pay period that included February 15, 2020 by not later than (i) December 31, 2020, for a PPP loan made before December 27, 2020, or (ii) the last day of the Covered Period, for a PPP loan made after December 27, 2020.

Instructions for PPP Schedule A

Lines 1 through 5: Enter the amounts from PPP Schedule A Worksheet Tables as directed.

Enter the amount from line 3 of PPP Schedule A on line 9 of the PPP Loan Forgiveness Application Form.

For lines 6 through 9, during the Covered Period:

Line 6: Enter the total amount paid by the Borrower for employer contributions for employee group health, life, disability, vision, or dental insurance, including employer contributions to a self-insured, employer-sponsored group health plan, but excluding any pre-tax or after-tax contributions by employees. Do not add contributions for these benefits made on behalf of a self-employed individual, general partners, or owner-employees of an S-corporation, because such payments are already included in their compensation.

Line 7: Enter the total amount paid by the Borrower for employer contributions to employee retirement plans, excluding any pre-tax or after-tax contributions by employees. Do not add employer retirement contributions made on behalf of a self-employed individual or general partners, because such payments are already included in their compensation.

Line 8: Enter the total amount paid by the Borrower for employer state and local taxes assessed on employee compensation (e.g., state unemployment insurance tax); do not list any taxes withheld from employee earnings.

Line 9: Enter any amounts the Borrower paid to owners (owner-employees (with an ownership stake of 5% or more), a self-employed individual, or general partners). For each individual owner in total across all businesses, this amount is capped at (a) \$20,833 (the 2.5-month equivalent of \$100,000 per year), or (b) the 2.5-month equivalent of the individual's applicable compensation in the year that was used to calculate the loan amount (2019 or 2020), whichever is lower.

Line 10: Add lines 1, 4, 6, 7, 8, and 9. Enter this amount on line 1 on the PPP Loan Forgiveness Calculation Form.

Line 11: Enter the Borrower's total average weekly full-time equivalency (FTE) during the chosen reference period. For purposes of this calculation, the reference period is, at the Borrower's election, either (i) February 15, 2019 to June 30, 2019; (ii) January 1, 2020 to February 29, 2020; or (iii) in the case of seasonal employers, either of the preceding periods or any consecutive 12-week period between February 15, 2019 and February 15, 2020. For each employee, follow the same method that was used to calculate Average FTE on the PPP Schedule A Worksheet. Sum across all employees during the reference period and enter that total on this line.

The calculations on lines 11, 12, and 13 will be used to determine whether the Borrower's loan forgiveness amount must be reduced based on reductions in full-time equivalent employees, as required by the statute. Specifically, the actual loan forgiveness amount that the Borrower will receive may be reduced if the Borrower's average weekly FTE employees during the Covered Period was less than during the Borrower's chosen reference period. The Borrower is exempt from such a reduction, and should skip lines 11 and 12, if any of the three criteria listed on PPP Schedule A under Full-Time Equivalency (FTE) Reduction Calculation has been met.

Line 12: Add lines 2 and 5.

Line 13: Divide line 12 by line 11 (or enter 1.0 if any of the three criteria listed on PPP Schedule A under Full-Time Equivalency (FTE) Reduction Calculation has been met). If more than 1.0, enter 1.0. Enter this amount on line 11 of the Loan Forgiveness Calculation Form.

NOTE: For lines 2-8, you are not required to report payments that you do not want to include in the forgiveness amount.

Line 9: Enter the number from PPP Schedule A, line 3. This amount reflects the loan forgiveness reduction required for salary/hourly wage reductions in excess of 25% for certain employees as described in PPP Schedule A.

Line 10: Add lines 1 through 8, subtract line 9, enter the total. If this amount is less than zero, enter a zero.

Line 11: Enter the number from PPP Schedule A, line 13.

Line 12: Enter the amount on line 10 multiplied by the amount on line 11. This calculation incorporates the loan forgiveness reduction required for any full-time equivalency (FTE) employee reductions as described in PPP Schedule A.

Summary of Costs Eligible for Forgiveness:

Borrowers are eligible for loan forgiveness for the following costs:

1. **Eligible payroll costs.** Borrowers are generally eligible for forgiveness for the payroll costs paid and payroll costs incurred during the Covered Period (“payroll costs”). Payroll costs are considered paid on the day that paychecks are distributed or the Borrower originates an ACH credit transaction. Payroll costs are considered incurred on the day that the employee’s pay is earned. Payroll costs incurred but not paid during the Borrower’s last pay period of the Covered Period are eligible for forgiveness if paid on or before the next regular payroll date. Otherwise, payroll costs must be paid during the Covered Period. For each individual employee, the total amount of cash compensation eligible for forgiveness may not exceed an annual salary of \$100,000, as prorated for the Covered Period. Count payroll costs that were both paid and incurred only once. Include only payroll costs for employees whose principal place of residence is in the United States. For information on what qualifies as payroll costs, see SBA’s interim final rule posted on January 6, 2021 (86 FR 3692).
2. **Eligible nonpayroll costs.** Nonpayroll costs eligible for forgiveness consist of:
 - (a) covered mortgage obligations: payments of mortgage interest (not including any prepayment or payment of principal) on any business mortgage obligation on real or personal property incurred before February 15, 2020 (“business mortgage interest payments”);
 - (b) covered rent obligations: business rent or lease payments pursuant to lease agreements for real or personal property in force before February 15, 2020 (“business rent or lease payments”);
 - (c) covered utility payments: business payments for a service for the distribution of electricity, gas, water, telephone, transportation, or internet access for which service began before February 15, 2020 (“business utility payments”);
 - (d) covered operations expenditures: payments for any business software or cloud computing service that facilitates business operations, product or service delivery, the processing, payment, or tracking of payroll expenses, human resources, sales and billing functions, or accounting of tracking of supplies, inventory, records, and expenses;
 - (e) covered property damage costs: costs related to property damage and vandalism or looting due to public disturbances that occurred during 2020 that were not covered by insurance or other compensation;
 - (f) covered supplier costs: expenditures made to a supplier of goods for the supply of goods that are essential to the operations of the Borrower at the time at which the expenditure is made, and made pursuant to a contract, order, or purchase order in effect prior to the beginning of the Covered Period (for perishable goods, the contract, order, or purchase order may have been in effect before or at any time during the Covered Period); and
 - (g) covered worker protection expenditures: operating or capital expenditures that facilitate the adaptation of the business activities of an entity to comply with the requirements established or guidance issued by the Department of Health and Human Services, the Centers for Disease Control, or the Occupational Safety and Health Administration, or any equivalent requirements established or guidance issued by a State or local government, during the period starting March 1, 2020 and ending on the date on which the national emergency declared by the President with respect to the Coronavirus Disease 2019 (COVID-19) expires related to maintenance standards for sanitation, social distancing, or any other worker or customer safety requirement related to COVID-19, but does not include residential real property or intangible property.

Eligible nonpayroll costs cannot exceed 40% of the total forgiveness amount. An eligible nonpayroll cost must be paid either during the Covered Period or incurred during the Covered Period and paid on or before the next regular billing date, even if the billing date is after the Covered Period. Count nonpayroll costs that were both paid and incurred only once.

The amount of loan forgiveness the Borrower applies for may be subject to reductions as explained in PPP Schedule A.

_____ I understand that if the funds were knowingly used for unauthorized purposes, the federal government may pursue recovery of loan amounts and/or civil or criminal fraud charges.

_____ The Borrower has accurately verified the payments for the eligible payroll and nonpayroll costs for which the Borrower is requesting forgiveness.
