

Welcome to CSB

You'll find the terms of your credit card here. It's a contract that starts as soon as you sign or use the card. Questions? Please call us at 800.654.9015.

You may use your card for the following types of charges: purchases, cash advances, or balance transfers. Each type of charge may have its own balance. Each balance may have a separate interest rate.

What are the charges?

Annual Percentage Rate (APR) for Purchases:	Prime rate plus a margin of 7.74%
Interest Rate on Cash Advances:	Prime rate plus a margin of 12.74%
Late Payment Fee:	\$25

Your APRs will vary with the market based on the Prime Rate, except for the balance transfer APR. The Prime Rate is the highest bank prime loan rate as published by the Wall Street Journal in its Money Rates Section on the 15th day (or the next business day if the 15th is not a business day) of the calendar month preceding the first day of the billing period. If the Periodic Rate(s) and corresponding Annual Percentage Rate(s) increase, your interest charges will increase and your minimum payment may be greater. Your Purchase APR will equal the Prime Rate plus a margin of 7.74% and your Cash Advance APR will equal the Prime Rate plus a margin of 12.74%.

What do I have to pay and when?

We will send your bill to the address on file. You agree to pay all authorized charges on the bill, including interest and fees. You agree to pay us for charges that we allow over your credit limits. You must pay at least the minimum payment by the due date stated on each bill. Your minimum payment will be 10% of your outstanding balance plus any applicable fees, or \$35, whichever is greater.

We choose which balances to pay with the minimum payment. We apply payments above the minimum to balances with the highest APRs first.

You must pay in U.S. dollars, without restrictive terms, and according to all the other standard payment instructions. Mailed payments should be sent to The Commercial & Savings Bank, P.O. Box 232, Millersburg, OH 44654.

How is interest calculated?

We calculate interest using the daily balance method with compounding. This means that interest compounds daily.

We will not charge you interest on purchases if you pay your full account balance by the due date each month. This is called a grace period. If you do not take advantage of the grace period, we will charge interest starting the day you make a purchase. If you do not pay your full account balance on time in any month you will lose your grace period until you pay your full account balance. You pay interest on cash advances or balance transfers from date of the transaction.

What if I pay late?

If you don't pay at least the minimum payment by the due date, you'll be charged a late payment fee of \$25. In addition, if your account remains past due more than ten days, your account may be suspended until payment is made. Your account will be in default and may be subject to interest rate increases.

Dishonored Item Fee: If you make a payment via check or pre-authorized charge, which is dishonored due to insufficient funds, you will be charged a \$32 dishonored item fee.

Important Information about Procedures for Opening a New Account:

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person or beneficial owner of a legal entity who opens an account. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

What this means for you: When you open an account or change an existing account, we will ask for your name, address, date of birth, and other information that will allow us to identify you and all beneficial owners. We will also ask to see your photo identification or other identifying documents.
